POLICE INVESTIGATE DEADLY SHOOTING IN LOGAN HEIGHTS

San Diego Police Department Homicide Unit detectives are investigating a shooting last night that left one person dead and another in serious condition at a local hospital.

At 9:06 p.m., officers responded to a report of a large fight (15-20 people armed with bats) at 33rd Street and Webster Avenue. When they arrived, the group was gone. At 9:46 p.m., officers were dispatched to a report of a shooting at the same location. When they arrived, officers found two shooting victims, both 18-year-old males. The victims were transported to trauma centers, where one died at 11:05 p.m. The second victim suffered serious injuries but is recovering at this time.

The preliminary investigation has revealed that a dark colored sports utility vehicle, occupied by four males, stopped in the intersection of 33rd Street and Webster Avenue. One of the males was armed with a handgun, and he fired multiple rounds while standing in the intersection. After the shooting, the suspects left in the SUV and were last seen northbound on 33rd Street.

The motive for the shooting is not known.

The victims have been identified, but their names are not being released at this time.

Anyone with information about this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-TIPS.
